

The background of the entire page is a tropical scene with palm trees. The left side shows green palm fronds, while the right side is dominated by a bright, glowing sun that creates a warm, orange and yellow light wash over the palm trees.

PEACE TEXTILE, INC. / PACIFIC SPORTS

Headquartered in Sumter, South Carolina, Peace Textile, Inc. was founded in 1992. Peace Textile, Inc. provides "Made In USA" high end fabric with top of the line dyeing and finishing technology. We produce cotton and cotton poly , solid and surface interest fabrics in our South Carolina facility, Then we ship this fabric to our company owned facility in Haiti to be cut and sewn.

In addition to our cotton and cotton poly garments, we also produce a great group of performance tees, tri blends, poly linens and other surface interest garments using imported fabrics

Our domestic knitting, dyeing and finishing is done in our 103,500 square foot facility in Sumter, South Carolina. We construct all of our garments, in our Haiti-Pacific Sports S.A. 150,000 square foot facility. Our factory in Haiti complies with required working condition standards set by the Better Work Organization.

(For detailed information; visit <http://www.betterwork.org/EN/Pages/newhome.aspx>)

As our business has grown successfully, in 2005, we expanded our capabilities by purchasing a 60,000 square foot facility to operate as our Eastern Regional Distribution Center in Sumter, South Carolina; and another 60,000 square foot facility in City of Industry, California, which operates as our Western Regional Distribution Center and Sales Department.

Our garment mix covers sizing from adult to toddler. This year we are introducing a new pfd and pigment dyed program and some great new options in the tri blend category. We are also producing some wonderful new elevated fabrics and colors for the youth market.

Our account base has challenged us to produce styles that go, "beyond basic." We have embraced those requests and feel that our product mix provides many quality choices ...for those seeking something other than the cheapest white tee shirt.

Peace Textile USA/Pacific Sports. **ENJOY!!!**
